

WHEN YOUR FEET DON'T TOUCH THE GROUND

[BARRIE]

When did life become so complicated?
Years of too much thought and time I wasted
And in each line upon my face
Is proof I fought and lived another day

When did life become this place of madness?
Drifting on an empty sea of waves of sadness
I make believe I'm in control
And dream it wasn't all my fault

When your feet don't touch the ground
When your world's turned upside down
Here it's safe
In this place
Above the clouds

When your feet don't touch the earth
You can't feel the things that hurt
And you're free
There's no need to come down

[PETER]

Everyday just feels a little longer
Why am I the only one not getting stronger?
Running 'round pretending life's a play
It doesn't make the darkness go away

I may be young but I can still remember
Feeling full of joy, crying tears of laughter
Now all my tears are all cried out
Make believe but count me out

Cause my feet are on the ground
And the inner voice I found
Tells the truth
And there's no use
If your head's in the clouds

[BARRIE]

I was once like you
Life was a maze
I couldn't find my way out
But what I say is true
You'll be amazed
Make believe and you will find out that it's true

[PETER]

I know what is true

<p>[BARRIE] When your feet don't touch the ground And your voice Won't make a sound Here it's safe In this place Above the clouds</p>	<p>[PETER] When your feet touch the ground Your voice Makes a sound It tells the truth There's no use For clouds</p>
<p>When your feet don't touch the earth You can't feel the things that hurt And you're free There's no need To come down</p>	<p>When your feet touch the earth You can feel the things that hurt And I am fine As long As I'm down</p>

When your feet don't touch
the ground

When your feet

Don't touch the ground

When your feet touch
the ground

...

Touch the ground
